**ELECTION**

Sir:

This communication is submitted in response to the Office Action of February 6, 2008.

The applicants hereby elect the invention defined by claims 18-25 for a camera and device and its components relative to a lens system. This election is made without traverse.

The applicants further elect the species of the invention depicted in FIG. 3. Claims 18-20 are believed to read on the elected species. Of course, the applicants reserves the right to request that certain of claims 21-25 be reincorporated into the application upon allowance of generic claim.

Respectfully submitted,
